Hi Magali-

i received your summons for the Jordan case scheduled for Monday, June 18th and wanted to let you know that I may not be available as I have a case scheduled in New Bedford that day. I've inquired about the status of that case and am waiting for a reply, and I will let you know when I hear anything.

Also, I don't see the drug lab number(s) listed on the summons, and when I looked up the defendant's name in our database, nothing came up. Would you kindly provide the number(s) to me? Thanks.

-Sonja
